**Applicant(s): Thomas D. Stahl**

**Title: Method And Apparatus For A Projection System**  
**Attorney Docket: 46675-0005**

Dear Sirs:

Upon review of the March 2006 monthly statement for deposit account No. 04-1061 (copy attached), we have discovered an improper charge (see highlighted copy of statement enclosed). A charge of \$125.00 was made to the account in connection with the above-captioned patent application for additional claims.

The above-identified application was filed on October 23, 2003 with thirty-eight (38) claims. Applicant paid for the eighteen (18) additional claims at the time of filing. In an Amendment and Response dated June 23, 2004, Applicant canceled seventeen (17) claims. In an Amendment and Response dated February 21, 2006 Applicant canceled ten (10) additional claims and added fifteen (15) claims taking the total number of claims to twenty-six (26) with three (3) independent. No additional claims have been added to the application since the February 21, 2006 response. Therefore, there are now twenty-six (26) total claims for which all fees have been paid. Applicant therefore believes that Deposit Account No. 04-1061 was charged in error.

In view of the above, please refund immediately the overcharged amount of \$125.00 to our deposit account No. 04-1061. If you have questions regarding this matter, please contact us.

Very truly yours,

DICKINSON WRIGHT PLLC

Dear Sirs:

Upon review of the March 2006 monthly statement for deposit account No. 04-1061 (copy attached), we have discovered an improper charge (see highlighted copy of statement enclosed). A charge of \$125.00 was made to the account in connection with the above-captioned patent application for additional claims.

The above-identified application was filed on October 23, 2003 with thirty-eight (38) claims. Applicant paid for the eighteen (18) additional claims at the time of filing. In an Amendment and Response dated June 23, 2004, Applicant canceled seventeen (17) claims. In an Amendment and Response dated February 21, 2006 Applicant canceled ten (10) additional claims and added fifteen (15) claims taking the total number of claims to twenty-six (26) with three (3) independent. No additional claims have been added to the application since the February 21, 2006 response. Therefore, there are now twenty-six (26) total claims for which all fees have been paid. Applicant therefore believes that Deposit Account No. 04-1061 was charged in error.

In view of the above, please refund immediately the overcharged amount of \$125.00 to our deposit account No. 04-1061. If you have questions regarding this matter, please contact us.

Very truly yours,
